**Content Warning:** Some of the following resources contain discussions of rape culture/coercion.

**What Is Asexual?**

*Asexual* is a term for “the lack of sexual attraction, and one identifying with this orientation. This may be used as an umbrella term for other emotional attractions such as demisexual” (TSER, 2017). Sometimes asexual is shortened to “ace.”

**What Is Aromantic?**

*Aromantic* is a term for “the lack of romantic attraction, and one identifying with this orientation. This may be used as an umbrella term for other emotional attractions such as demisexual” (TSER, 2017). Sometimes aromantic is shortened to “aro.”

Looking for more information about asexual and aromantic identity?
